April 20, 1992

To Superintendents of: Beef, Cat, Cavy, Dairy, Goat, Llama, Pigeon, Poultry, Rabbit, Sheep, Swine

Comments turned in to Dolores regarding the 'Animal Entry Form' are as follows:

Beef: Need Breed, birthdate of kids (they don't know if they're Jr,Int,Sr), and Amount to right of Points.

Cavy: Need Ear # and Sex included.

Dairy: Need exhibitor birthdate, amount to right of Points; Herdsmanship not necessary for Dairy

Llama: Need a place for Llama's name.

Rabbit: Need Breed, Sex, and Ear #.

Dolores has added specific grades completed because this is in keeping with information throughout 4-H portion of Fair Book, rather than age.

Ear Tag #, Sex, Breed, and name of animal has been added.

Amount is to the right of the ribbon and points columns, although some prefer to add points and then multiply by amount per point.

Please let Dolores know your feelings about this form (Stat) because we need to get them printed fairly soon.

Sincerely,

Carol F. DeHaas
County Extension Agent/4-H,Youth
